Bridging the Divide: Medicare's Role in Reducing Racial and Ethnic Disparities Alliance  
For Health Reform and National Academy of Social Insurance

<http://www.kaisernetwork.org/healthcast/alliance/29jan07>

This event examined a growing body of evidence indicating disparities in quality of care among Medicare beneficiaries of different racial and ethnic backgrounds. Panelists also discussed whether and how the Medicare program should use its clout as a health care payer and player to move toward eliminating racial and ethnic disparities. A podcast is also available.
